

**Karl M Kadish** is Distinguished University Professor of Chemistry at the University of Houston. He received his PhD from Pennsylvania State University and was a postdoctoral fellow at the University of New Orleans and a Chargé de Recherche at the University of Paris VI. Dr. Kadish's research interests are in analytical chemistry, porphyrin chemistry, chemistry and electrochemistry of biological compounds, redox reactions of metal complexes, spectroelectrochemistry and fullerene chemistry. He has published over 490 research papers and edited or co-edited 32 books. Since 2003, Dr Kadish has been the Editor-in-Chief of the Journal of Porphyrins and Phthalocyanines. He has also served as President of the Society of Porphyrins and Phthalocyanines since June 2000.
