

CONTENTS

PREFACE	vii
CHAPTER 1: THE FREEDOM TO DRIVE	1
DRIVING — A RIGHT OR A PRIVILEGE?	1
DEALING WITH THE THREAT OF LOSING YOUR DRIVING PRIVILEGES	2
LOW VISION AND ITS CONSEQUENCES	4
GETTING SOME STRAIGHT ANSWERS FROM YOURSELF AND FROM THE PROFESSIONALS	5
CHAPTER 2: VISION AND DRIVING — FACTS AND FICTION	10
SIFTING FACTS FROM MYTHS	10
What happens to vision as you age?	10
Driving-affecting visual/perceptual functions	12

Visually impaired people can drive — safely	13
A focus on visual acuity	15
Peripheral vision/visual field	19
Color vision and driving	25
Contrast sensitivity	26
The glaring dangers of glare	27
Useful field of view	28
How to look at visual screening tests	28
Would/Should your eye doctor report your condition to your state-licensing agency?	30
CHAPTER 3: THE MEDICAL SIDE OF LOW VISION	33
THE EYE	33
How does the eye work?	33
EYE DISEASES THAT AFFECT YOUR VISION	38
Cataract	38
Age-Related Macular Degeneration (AMD)	39
Glaucoma	41
Diabetic Retinopathy	42
Retinitis Pigmentosa (RP)	43
Optic Atrophy	44
Corneal Dystrophy	44
Stroke (Hemianopia)	45

Contents

CHAPTER 4: THINKING ABOUT DRIVING	47
MAKING AN INFORMED DECISION	47
A QUICK SELF-TESTING QUESTIONNAIRE	47
How to interpret your answers	49
WHAT DO YOU NEED TO KNOW?	50
Know your medical condition	50
Know the law and your legal status	52
Know the latest technical developments in low vision	54
Know who plays a role	55
MAKING A DECISION	56
CHAPTER 5: GETTING READY TO DRIVE	58
ACTING ON YOUR DECISION	58
Getting the right vision aid(s)	58
Finding a qualified driving instructor	61
Getting used to the new vision aid	62
CHAPTER 6: LEARNING TO DRIVE	64
A STRUCTURED APPROACH TO LOW VISION DRIVER'S TRAINING	64
Establish a solid training program	65
Learn to use your vision aid	65
Training at home	66
Training on the road	66

DRIVING WITH CONFIDENCE

Study for and pass the written tests	68
CHAPTER 7: ON THE ROAD — DRIVING WITH LOW VISION	69
THE REALITIES OF LOW VISION DRIVING	69
Acquiring the habits of good driving	70
19 commandments of the safe driver	71
CHAPTER 8: IF ALL ELSE FAILS — HOW TO GET WHERE YOU WANT WITHOUT A CAR	75
LIVING WITHOUT A CAR	75
Identifying your transportation needs	75
Combining trips and tasks	77
Finding and utilizing available transportation resources	77
Paying for your transportation	78
Scheduling	78
Pooling	78
CHAPTER 9: CONCLUSION — DARING TO SUCCEED	80
MAKING AN INFORMED DECISION	80
APPENDIX A: FEDERAL LEGISLATION	82
THE REHABILITATION ACT	82
How is the law interpreted?	82

Contents

THE AMERICANS WITH DISABILITIES ACT (ADA), OF 1990	83
APPENDIX B: INFORMATION/AID SOURCES	85
APPENDIX C: TERMS YOU SHOULD KNOW	92
LOW VISION	92
LEGAL BLINDNESS	92
LOW VISION AIDS	93
LOW VISION DRIVER'S TRAINERS	93
MOBILITY TRAINERS/INSTRUCTORS	94
VISUAL SCREENING TESTS	94
VALID DRIVER'S LICENSE	94
RESTRICTED LICENSE	94
GLARE CONTROL	95
Night glare	95
Daylight glare (solar glare)	97
APPENDIX D: LOW VISION DRIVING AIDS	100
BIOPTIC TELESCOPES — TYPES	100
Galilean telescopes	101
Keplerian telescopes	102
Advantages	102
Disadvantages	103
BIOPTIC TELESCOPES — BRANDS/MAKES	103

DRIVING WITH CONFIDENCE

Designs for Vision Inc.	103
Bit ^a ® vision enhancer	105
Ocutech Vision Enhancing Systems® (VES™)	105
Behind-the-lens telescope	106
COMBINED CONTACT LENS/SPECTACLE TELESCOPIC SYSTEMS	109
Combined IOL/Spectacle Telescopic System	110
Implantable Miniaturized Telescopic (IMT) System	111
REVERSED TELESCOPE FOR TUNNEL VISION	113
Amorphic reversed telescope for tunnel vision	114
HEMIANOPIA VISUAL FIELD DEVICES	114
Visual field awareness system	115
Field Expanding Lenses (binocular prisms)	116
Peripheral prism segment on one lens only	117
BLIND SPOT MIRRORS	119
ELECTRONIC NAVIGATION DEVICES	119
APPENDIX E: STATE VISION REQUIREMENTS	122
STATE REGULATIONS	122
States permitting bioptics	123
States NOT allowing restricted license	123
States testing color vision	124
States testing visual field	124
States testing depth perception	125

Contents

States testing eye coordination 125

States testing luminance contrast 126

States allowing qualified drivers to drive at night with
bioptic telescopes 126

States in which physicians are required to report a
physical/mental disability 126

States in which physician’s report is NOT confidential 127

States in which license can be suspended on referral 127

Tables of state by state vision standards for drivers 128

APPENDIX F: BIBLIOGRAPHY 182

INDEX 187
