Preface	vii
Acknowledgement	ix
Introduction	x
Terminology	xi
Essential Anatomy	xiii
General Anatomy Check List	xxvi
Upper and Lower Limbs	1
1. Study Check List of the Upper Limb	3
2. Pectoral Region and Axilla	9
3. Front of Arm and Cubital Region	15
4. Back of Trunk, Scapular Region and Back of Arm	19
5. Joints of the Shoulder Region and Back of the Forearm and Hand	22
6. Front of Forearm and Hand	31
7. Joints of the Free Upper Limb	38
8. Joints of the Hand	41
Lower Limbs	51
9. Study Checklist of the Lower Limb	53
10. Anterior and Medial Aspects of the Thigh	58
11. Gluteal Region and Posterior Aspect of the Thigh	64
12. Hip Joint, Popliteal Fossa and Back of the Leg	69
13. Anterior and Lateral Aspects of the Leg, Dorsum of the Foot and Knee Joint	76
14. The Foot	87
15. Sole of the Foot	89
16. Tibiofibular Joint, Ankle Joint and Joints of the Foot	95
17. Joints of Foot	102
18. Clinical Anatomy of Major Nerves of the Lower Limb	107
19. Notes on Locomotion	110
20. Myotomes — Segmental Innervation of Muscles	115
21. Comparison of the Upper and Lower Limbs (After R.J. Last)	118
Appendices	121
Appendix I: Autonomic Nervous System (ANS)	123
Appendix II: Lymphatic System	138
