Preface	vii
Acknowledgement	ix
Introduction	x
Terminology	xi
Essential Anatomy	xiii
General Anatomy Check List	xxvi
Head and Neck	1
1. Posterior Triangle of the Neck	3
2. Anterior Triangle of the Neck	10
3. Face and Scalp	15
4. The Skull	20
5. Cranial Cavity	26
6. Orbit and Lacrimal Apparatus	33
7. Parotid, Infratemporal Region and Temporomandibular Joint	41
8. Temporomandibular Joint	46
9. Submandibular Region and Deep Dissection of the Neck	48
10. Deep Structures of the Back of the Neck and the Trunk	57
11. Articulation Between Skull and Upper End of Vertebral Column (Craniovertebral Joint)	64
12. Nasal Cavity/Oral Cavity	67
13. Oral Cavity	70
14. Soft Palate and Pharynx	75
15. Larynx	80
16. The Eye	93
17. The Ear	99
18. Back of the Neck and Trunk	112
Appendices	125
Appendix I: Autonomic Nervous System (ANS)	127
Appendix II: Lymphatic System	142
