1. Introduction	1
2. Pathogenesis	8
3. Classification	25
Part I: Spinal Defects	27
4. Myelomeningocele	29
5. Occult Spinal Bifida	92
6. Cervical Spinal Dysraphism	98
7. Lipomyelomeningocele	102
8. Meningocele	122
9. Hemimyelomeningocele	127
10. Diastematomyelia	129
11. Terminal Myelocystocele	144
12. Caudal Regression Syndrome	149
13. Dorsal Enteric Fistula	155
14. Segmental Spinal Dysgenesis Syndrome	160
15. Neurenteric Cyst	165
16. Dermal Sinus	168
17. Thickened Filum Terminal Syndrome	172

18. Tethered Cord Syndrome	176
19. Syringomyelia	193
Part II: Cranial Defects	207
20. Anencephaly	209
21. Iniencephaly	215
22. Encephalocele	220
23. Hydrocephalus	257
24. Multiple NTD	263
25. Genetic Syndromes with Neural Tube Defects	266
