Section 1	Principles and Purpose of Assessment	1
Chapter 1	Assessment in Medical Education: An Overview	3
	“Assessment Drives Learning”	3
	Purpose Driven assessment	4
	What’s At Stake?	5
Chapter 2	Key Concepts in Assessment	8
	Formative and Summative Assessment	8
	Validity	8
	Blueprinting	9
	Reliability	10
	Feasibility (Cost and Acceptability)	13
Chapter 3	Special Issues in Assessment in Clinical Medicine	15
	Context Specificity	15
	Generalizability of Assessment Data	15

Chapter 4	Standard Setting	20
	Norm Referenced Standard	20
	Criterion Referenced Standard	21
Chapter 5	A Model for Assessment	22
<hr/>		
Section 2	Assessment of “Knows” and “Knows How”	25
Chapter 6	Oral Examination/Viva	27
	Description	27
	Limitations of Traditional Viva	27
	Use With Borderline Candidates	27
	Cited Advantage	27
	Pertinent Evidence	28
	Possible Uses	28
	Practical Tips	28
Chapter 7	Long Essay Questions (LEQ)	30
	Description	30
	Strengths of Essay Questions	30
	Limitations	31
	Recommended Use	31
	Evidence	31
	Examples	32
Chapter 8	Short Answer Questions (SAQ)	34
	Description	34
	Advantages	34
	Limitation	34
	Evidence	34
	Suggested Uses	35
	Example	35
	Practical Tips in Writing SAQ	35

Chapter 9	Multiple Choice Questions (MCQ)	37
	Description	37
	Advantages	37
	Limitations	37
	Best Evidence and Practices	37
	Examples	38
	Imprecise and Difficult Terms to Avoid in MCQ	40
	Pre-Submission Checklist for MCQ	40
Chapter 10	Extended Matching Items (EMI)	43
	Description	43
	Advantages	43
	Limitations	43
	Evidence	43
	Example	44
	Practical Tips in Writing EMI	44
Chapter 11	Key Features Test (KF)	46
	Description	46
	Advantages	46
	Limitations	46
	Evidence	47
	Example	47
<hr/>		
Section 3	Assessment of "Shows How"	51
Chapter 12	Long Case	53
	Common Practice	53
	Advantage	53
	Limitations	53
	Evidence	53
Chapter 13	Short Case	56
	Common Practice	56
	Advantages	56

	Limitations	56
	Evidence	56
Chapter 14	Objective Structured Clinical Examination (OSCE)	58
	Description	58
	Advantages	58
	Limitations	58
	Evidence	59
	Example	59
	Rating Checklist	62
	Tips on Writing OSCE Stations	64
<hr/>		
Section 4	Assessment of "Does"	65
Chapter 15	Mini Clinical Evaluation Exercise (Mini-CEX)	67
	Description	67
	Advantages	68
	Limitations	68
	Evidence	68
	Sample Mini-CEX Data Collection Form	69
	Suggested Uses	70
Chapter 16	Direct Observation of Procedural Skills (DOPS)	71
	Description	71
	Advantages	72
	Limitations	72
	Sample DOPS Data Collection Form	72
	Suggested Uses	74
Chapter 17	Clinical Work Sampling	75
	Description	75
	Advantages	75
	Limitations	75
	Suggested Uses	76

	Content	xvii
Chapter 18	Checklist	78
	Description	78
	Advantages	78
	Limitations	78
	Evidence	78
	Example	79
Chapter 19	360-Degree Evaluation	81
	Description	81
	Advantages	81
	Limitations	81
	Evidence	82
	A Sample 360-Degree (Multi-Source Feedback) Evaluation Form	82
	Suggested Use	83
Chapter 20	Logbook	84
	Description	84
	Advantages	84
	Limitations	84
Chapter 21	Portfolio	86
	Description	86
	Advantages	86
	Limitations	86
	Evidence	86
<hr/>		
Appendix A	Summary of Recommendations	89
<hr/>		
Appendix B	Annotated Reference and Further Reading	93
