Direction for use :

Spray

Open the bottle & remove the seal

Insert the spray applicator in to the bottle.

Screw the spray applicator & remove the safety clip.

Aim the pump toward the affected area, press the pump once and spread the solution with finger tips. Repeat 5 times to apply a application of 1ml of solution.

Dropper

Open the bottle & remove the seal

Insert the dropper in to the bottle.

Take the content in to the dropper to fill the volume up to 1ml line.

Pour the contents of the dropper aiming towards the centre of the affected area of the scalp & spread evenly with fingertips.

*Images shown are for representation purpose only.
